SPECIAL VENUE NOTES

This is a new venue for us and the first time a league has held a race in a California State Park. There is private property adjoining the venue. Most property west of Canyon Avenue (directly across from main parking as shown on the map on the race page of the website at www.socaldirt.org/events/races) is private and should be **COMPLETELY FREE** of any vehicles, pedestrians, and riders from our event at **ALL** times. If there is a question; stay off. Parking attendants will guide you into parking and Pit Zone access. Please be the best neighbors possible! People are watching. Vehicular access to the Pit Zone will be closed during racing. Please plan on moving heavier equipment into the Pit Zone Saturday or early Sunday morning. Please pay attention to parking staff, race staff, and State Park Rangers.

OTHER IMPORTANT NOTES

- Potential for poison oak along the course. Those sensitive beware, use protection, and bring ways and means to cleanse after race.
- Parking is limited at the venue. Try to carpool into the race and limit the number of vehicles each team brings.
- No gasoline generators or open fires inside the team pit area.
- No dogs off leash please.
- Petitions for exceptions to category placement **must** be received by Monday before the race.
