

2016 California State High School Mountain Bike Championships
--- Staging Notes and Call Ups ---

Following is information on staging and call ups for States.

STAGING NOTES:

- Staging for each WAVE begins 15 minutes before the first field of the wave. Please review the race flyer for wave start times. All riders should arrive at staging when it opens. **Stagers begin staging fields in the order they race in a wave beginning 15 minutes before the first field of the wave.**
- Call ups in each field will be the same number of riders who would be called up IF States was the “next race in their 2016 series” and according to Rule 6.13. This will be different than what both SoCal and NorCal experienced during 2016 but the same as used for States in 2015. Call ups will be deep in each field and will alternate between SoCal, NorCal North, and NorCal South.
 - You might see uneven numbers of call ups per conference/league. This is because call ups are based on the actual number of riders that participated in that particular field in that particular league.
 - You might see double call ups from a conference/league. This is because both riders tied at a given point in standings are placed in call ups together.
 - Call ups have been earned and are based on actual standings not the riders registered to race. If a rider is not there the spot will be filled by the next rider in order of call up or per staging procedure noted below after all called up riders have been staged.
- **ALL** riders, **INCLUDING RIDERS WITH A CALL UP** must be at staging. Stagers begin their staging in each field with call ups. If a rider with a call up is not at staging when called up their slot will be filled and, depending on when they arrive at staging, they will either be put in the first open spot during staging for their field or at the end of their field. **NO SPOTS ARE HELD.**
- Once riders are in the chute please respect the boundary and do not enter to give them anything. If a rider enters the staging area carrying extra water, a wet towel, or extra clothing if cold they may carefully hand extra gear out or toss extra gear to empty ground outside of the chute as they get closer to the front. They can also hand gear via our Stagers. They are responsible for ensuring gear is picked up after their race. No umbrellas in the start chute.
- **HIGH SCHOOL** staging for riders without a call up:
 - **Riders are staged in groups behind call ups based on the LAST DIGIT OF THEIR PLATE.**
 - We will draw a number at the Coach Meeting Sunday morning at 8:30 AM. That number will set the non-call up groups for every field for the day. When you arrive at staging listen for instructions from the Stagers.
