

2017 Beach to Boulders
--- Staging Notes and Call Ups ---

We hope you had a great time in the off season and are ready for the opening race at Lake Perris. Following is information on staging for the first race as well as race call ups.

STAGING NOTES:

- Staging for each **WAVE** begins 15 minutes before the first field of the wave. Please review the race flyer for wave start times. All riders should arrive at staging 15 minutes ahead of the start time of the first field of the wave their field races in (hint: there are 2 middle school waves and 4 high school waves at each SoCal Series race this season).
- **ALL** riders, **INCLUDING RIDERS WITH A CALL UP** must be at staging. Stagers begin their staging with call ups. If a rider with a call up is not at staging when called up their slot will be filled and, depending on when they arrive at staging, they will either be put in the first open spot during staging for their field or at the end of their field.
- We understand it is often warm in the start chute, however, once riders are in the chute please respect the boundary and do not enter to give them food or equipment or clothing. If a rider enters the staging area carrying extra water bottles to dump over themselves, a wet towel to drape over themselves, or extra clothing if cold they may carefully hand extra gear out or toss extra gear to empty ground outside of the chute as they get closer to the front (please don't throw things into the crowd). They are responsible for ensuring it is picked up and does not turn into "litter" even if they need to return after their race. Due to the sharp spiky nature of umbrellas no umbrellas in the start chute.
- The number of high school riders called up in each field is based on ridership forecasts compared against NICA Rule 6.13 which states:

"Start line call-ups for top placed riders takes place at all races. At the first race of the season the call-ups are based on the points from the previous season, regardless of the category where the points were earned. At all subsequent races, the call-ups are based on the overall placing in that category in the current season. The following number of riders will be called up for each race start:

- Field size of 24 or less riders: Top 5 are called up
- Field size of 25–49 riders: Top 10 are called up
- Field size of 50-74 riders: Top 15 are called up
- Field size of 75+ riders: Top 20 are called up"

- **HIGH SCHOOL** staging for riders without a call up:
 - **Riders are staged in groups behind call ups based on the LAST DIGIT OF THEIR PLATE.**
 - Because high school call-ups at the first races are based on previous SoCal League season results, there are no call ups for FRESHMAN fields.
 - Ahead of the first field of wave #1 at race #1 a card with a number between 0-9 will be drawn. That number will set non-call up staging for the rest of the SoCal Series.
 - All SoCal League race number plates end in a number between 0-9. If, for example, a “3” is drawn then riders will be staged in the following order:
 - 2-3, 4-5, 6-7, 8-9, 0-1
 - For race #2 that rotates to 4-5, 6-7, 8-9, 0-1, 2-3 and so on throughout the season.
 - Both call ups and staging notes will be posted for each race several days before the race.

- **Beach to Boulders START** instructions:
 - The START will be unique at Lake Perris so please review! Riders will pre-stage at staging, be given race instructions, then SLOWLY LED IN FORMATION about 1/3 mile down the road. During this procession they MUST NOT CHANGE POSITIONS. Once down the road to a pre-determined location they will be quickly paused, reviewed by stagers, and started! This is the same staging/start process we used last year though the actual start line may be slightly different.
