\* Riders on teams in the counties listed under each conference compete in that conference during the entire 2017 SoCal series. Independent riders compete in Conference C during the SoCal Series.

\* Barring events outside our control, start times and race numbers stay the same for the entire SoCal series. Lap counts and distances may vary but generally stay the same for the SoCal series. No middle school racing at race #1 (Lake Perris). High school State Championships is NOT a series race and will have different fields and race day schedule.
