

2019 Calf Marking Instructions

In order to facilitate smoother and more predictable racing the SoCal League has adopted the practice of calf marking at races. Calves of high school and middle school racers may be marked by registration personnel or coaches. Marked calves are not a rule (a rider wearing knee warmers or tights or allergic to ink may have their calves covered) but are a practice we hope most will adopt.

- The **LEFT** calf should be marked.
- Use a thick **BLACK** marker.
- **FIELD** being raced should be marked.
- Letters between 2 and 6 inches tall.
