

**2022 Championships**  
**--- Staging Notes and Call Ups ---**

We hope you had a great time in the 2022 Race Series. Now we're on to Championships which is a little bit different. We will have full field call ups for all pre-registered riders in all Championship fields. There are no call ups in the Open fields.

**STAGING NOTES:**

- Staging for each **WAVE** begins 15 minutes before the first field of the wave. Please review the race flyer for wave start times. All riders should arrive at staging 15 minutes ahead of the start time of the first field of the wave their field races in.
- **ALL** riders, **INCLUDING RIDERS WITH A CALL UP** must be at staging. Stagers begin their staging with call ups. If a rider with a call up is not at staging when called up their slot will be filled and, depending on when they arrive at staging, they will either be put in the first open spot for their field or at the end of their field. Riders in Championship fields that register on site (aka NOT pre-registered) will be staged behind all pre-registered riders regardless of where they finished in the race series.
- We understand it is often warm or cool in the start chute, however, once riders are in the chute please respect the boundary and do not enter to give them food or equipment or clothing. If a rider enters the staging area carrying extra water bottles to dump over themselves, a wet towel to drape over themselves, or extra clothing if cold they may carefully hand extra gear out or toss extra gear to empty ground outside of the chute as they get closer to the front (please don't throw things into the crowd). They are responsible for ensuring it is picked up and does not turn into "litter" even if they need to return after their race. Due to the sharp spiky nature of umbrellas no umbrellas in the start chute.
- Staging for Open fields will be based on a random card draw at the coach meeting.
